

FILTER REPLACEMENT AND PRICING OPTIONS AT WATER ANALYTICS AUSTRALIA

How to Save More WAA FILTER REPLACEMENT PURCHASE GUIDE

WAA's filter prices are divided into **three categories** to meet the needs of customers.

<https://www.wateranalytics.com.au/category/filter-subscription>

1.

Individual Purchase

Standard Retail Price

Purchase filters individually at the regular retail price. Ideal for customers who need occasional replacements.

2.

Bundle Buy

Discounted Price

Opt for our bundle buy option and save on costs. **Bundles will differ in odd and even years** due to the RO filter replacement cycle.

Odd Years

Standard bundle excluding the RO filter.

Even Years

Standard bundle including the RO filter.

3.

Subscription 2-Year Plan

The Most Cost-Effective Way to Purchase

Monthly Repayment (2-Year Repayment Plan)
Choose our subscription plan for hassle-free, monthly payments over two years.

Pay in Full Option (One time purchase)
pay the total subscription cost upfront. This one-time payment equals the sum of the two-year repayment plan.

	Total \$740/Yr	Total \$520/Yr	Total \$420/Yr

*One-off purchases requiring a two-year filter commitment

FAQs

1. When should I change my filter?

We'll send regular reminders via email after installation to help you keep track of filter changes.

2. Is shipping included in the price?

Absolutely, shipping is free for customers in WA, SA, VIC, NSW, and QLD.

3. What is the cost for on-site filter replacement?

This service is available within a 40km radius of Perth, Adelaide, Melbourne, Sydney, and Brisbane metro areas. A one-off call-out fee of \$70 applies.

4. If I buy a 2-year filter supply, will I receive all filters at once?

You choose. Receive all filters immediately, or we can hold your second year's supply for future dispatch. Opting for later dispatch allows you to access our futurepure protection program for upgraded filters.

5. What if I delay changing my filter beyond the recommended time?

Timely changes are recommended, but not mandatory, even for subscription customers. We'll reserve your filter until you're ready for it.

6. Where can I purchase filters?

Order directly from our online shop, via email, or by phone.

7. When can I opt into a subscription, and when will I receive the filter?

Opt in at the point of sale or anytime later. For instance, if your system is due for a filter change after 12 months, you can subscribe then for the best filter price. We'll promptly ship your filter, even if your subscription payments have just begun.
